The Senior Class Proudly Dedicates the 1977 Gusher to Mr. David Bosworth

The senior class of 1977 proudly dedicates this Gusher to Mr. David Bosworth. During his ten years at B.C.S. he has become a friend to every student. Whenever supplies and ideas were needed for school projects, Mr. Bosworth met the needs as best he could. He was always willing to paint stage settings, to help with decorations for dances, and to make posters for various organizations. For the past seven years he has kept the Gusher on an even keel, always contributing new ideas and help. The student body has come to admire Mr. Bosworth for his easygoing personality and his total willingness to help. For this dedication we salute you, Mr. Bosworth. Thanks for everything.

Your parents, the Bolivar Central School faculty and administration share with you the great sense of pride in the successful completion of your High School programs. Yours has been a succession of outstanding achievements both academically and in extra-curricular activities.

Never have a young people embarked on careers in a more challenging period of time. Difficulties can be overcome but only by those who are willing to persist and serve to the maximum of their ability.

The preparation you have made will stand you in good stead to achieve worthwhile life long goals. Continue to strive mightily in all of your endeavors because the benefits of success will highlight your happiness in the future.

We wish you the very best for the fulfillment of all of your dreams.

We, the Class of 1977, have been through a great deal together; and now, for the first time in thirteen years, we will be going our separate ways. But we leave B.C.S. with terrific memories of both good times and bad time, fond remembrances of years spent together. From our train trip to Hornell in first grade to our Senior trip to Williamsburg, we have always acted as one. From selling Amway products, to Christmas cards, to stationery, to magazines, we have worked hard together to achieve our goals. Now, as the Class of '77 marches into posterity we would like to thank our advisors, Mr. Stanton and Mrs. Bernstein for all their hardwork in helping us be a successful class. Their work has been greatly appreciated.

The Bulldogs opened the season with a number of veterans and great hopes of 9-0. The high expectations, though, were greatly damaged by the heartbreaking 6-2 loss to Allegany. The season then progressed with ups and downs including impressive wins over Cowanesque Valley, Smethport, Coudersport and Honeoye; with close losses to Franklinville and Cuba; and the worst defeat of the Seniors' career at the hands of Walsh.

Many of the bad memories, however, were erased in the season ending 29-6 win over arch-rival Portville, in which the Bulldogs finally showed their full potential with everyone playing their best game. It was a fitting finish for the Seniors of '77 who leave with many fond memories of Bolivar football. We would like to thank Coach Dunsmore, Coach Lindamer, Coach Erway, and everyone else involved for giving us the opportunity to be a part of the Bulldog Pride, and hope that we, the Seniors, have left some fire behind in the underclassmen to continue the tradition of the winning Bulldog Pride.
